

Lancaster General College of Nursing & Health Sciences

**Bachelor of Science Program
Letter of Intent
For Current Students and Recent Alumni**

Students attending LGC and recent LGC alumni who intend to begin classes within one academic year after graduation (no later than the 3rd consecutive semester – excluding summers) are required to complete this form to continue at Lancaster General College of Nursing & Health Sciences in a Bachelor of Science program. An application for admission is not required. Placement in a preferred class/cohort is not guaranteed and will be based on availability at the time the request for enrollment is received.
