

## *Creating an Extraordinary Experience at Lancaster General Health*

*“This is the true joy of life...being used for a purpose recognized by yourself as a mighty one...being a force of nature instead of a feverish selfish little clod of ailments and grievances complaining that the world will not devote itself to making you happy...I want to be thoroughly used up when I die. For the harder I work the more I live. I rejoice in life for its own sake. Life is no brief candle to me. It's a sort of splendid torch which I've got to hold up for the moment and I want to make it burn as brightly as possible before handing it on to future generations.”*
