

Lancaster General College of Nursing & Health Sciences

MBS DIRECT VIRTUAL BOOKSTORE INFORMATION

The Lancaster General College of Nursing and Health Sciences has partnered with MBS Direct, one of the largest direct-to-student textbook distribution companies in the country. For convenience, we recommend ordering materials via the Virtual Bookstore because it is available 24 hours a day, 7 days a week.

You will receive your scheduled courses from the Registrar. From that schedule, you will be able choose the textbooks you need by course name(s)/number(s). The textbooks are listed in alphabetical order by course name/number.

- Textbooks will be available for purchase usually 3-4 weeks prior to the first day of class of each semester
- Textbooks are shipped to your home, not the College.

www.mbsdirect.net is the website address

- 1) Search for the school by typing in the first 4 letters (lanc).
Select Lancaster General College of Nursing & Health Sciences
- 2) Then choose the "Order My Books" tab
- 3) Select Term: Fall, Spring, Summer, etc...
- 4) Select Site: "Lancaster General College"
- 5) Then click on the appropriate course name(s)/number(s)
- 6) You will then see a list of textbook(s) needed for that course. 'Used books' will be automatically selected if they are available. You may "unclick" and choose a new book if desired.
Clicking on the book title will open up ISBN number information.

NOTE: Underneath each textbook title, it states if the textbooks are "required," "recommended," or "optional."

Only "required" textbooks must be purchased.
