

REFUNDS

Credit balances will automatically be refunded to you as funds are received at the College. Multiple refunds may be disbursed throughout the semester. Refund checks are issued only once a week. Checks will normally be available on Mondays. An email will be sent to you by the Bursar when your check is ready. Checks may then be picked up at the administration building at 549 N. Lime St. Please have identification ready. Keep in mind if a Parent Plus Loan creates a refund, the refund will be issued to the parent and not the student. All Plus loan refunds will be mailed directly to the parent.

Federal Stafford Loans are typically disbursed within the first four weeks of classes. State grants, Pell and SEOG usually arrive 3-4 weeks after the start of the semester. Mary Stager Scholarships are typically disbursed sometime during the second half of the semester. (Fall semester disbursements after Nov. 1st)
