

## CPR Course Offerings

All students enrolled in a clinical course must be CPR certified in the **American Heart Association Basic Life Support for Healthcare Providers**. To obtain information from your local American Heart Association, log onto [www.americanheart.org](http://www.americanheart.org) and enter your zip code for the division nearest you. Search for CPR locations who offer the “BLS for Healthcare Providers” course. Or contact one of these training centers:

### **Lancaster**
