## **Clinical** Education Courses

2011 Schedule

**The Division of Corporate Education  
Course Information**

**Cancellation Policy**

Because space in our classes is limited, we ask that all employees who must cancel their registration prior to start of the course do so three days prior to the start of class. This will allow us to offer your seat in the class to your colleagues. Outside attendees may cancel their registration for an educational event at any time. If attendees cancel their registration more than 48 hours prior to the event, registration fees will be refunded, minus a \$50 administrative fee. Attendees cancelling less than 48 hours in advance will not receive a refund of their registration fee.

**Cost and Payment**

There is no cost for Lancaster General employees providing that they have manager approval to attend. Payment for Non - LG attendees is due prior to the start of the class. Cost of educational events is subject to change.

**PSNA CEUs**

Some CORPORATE EDUCATION classes include contact hours that can be applied to the required 30 hours that nurses must complete every two years. Classes that include PSNA CEUs are listed with "(PSNA)" in the title and include the number of Contact Hours in the description. To view all classes that fit into this category, type the word "PSNA" into the "find" field at the top of this page.

**Registration**

Lancaster General employees may register for all classes via NetLearning. Classes marked with an asterisk (\*) next to the title have restricted enrollment. For enrollment information in restricted classes, or for Non - LG attendees to register, contact the Institute for Professional Development Main Office at 717 - 544 - 5041.
